BACKLINK LIST

This page highlights my work in building high-quality backlinks that strengthen domain authority and improve Google rankings. Backlinks remain one of the most powerful SEO factors, and my strategy focuses on earning authoritative, relevant, and natural links that deliver long-term value.

SEO AUDITING

This page features a detailed SEO auditing PDF created to evaluate the overall health, performance, and search engine readiness of a website. The audit covers on-page SEO, technical SEO, content quality, mobile usability, and backlink profile—providing a complete roadmap for improving organic visibility and ranking potential.
